## OPEN COOKING SCHOOL HERE NEXT TUESDAY

The schoolbell will ring here September 24, 25 and 26 for coed homemakers attending the "refreshers course" in food cookery, a three-day cooking school sponsored by The Gettysburg Times in cooperation with the National Livestock and Meat Board, Chicago. The high school auditorium will be the site of this culinary classroom.

Designed to give homemakers the most up-to-date information in food cookery, "Spotlight on Foods" will feature the preparation of more than 30 new and different recipes during four days of educational and entertaining sessions for area meal planners. Conducting the sessions will be three field home economists for the meat board, who will prepare about 10 food dishes during each two-hour period. All are skilled in the field of meat cookery and foods and have appeared before television, radio and live audiences all over the country.

Their demonstrations will be supplemented by the distribution of free Spotlight on Foods recipe books which contain all of the recipes prepared during the three-day show so the homemaker can have a permanent record for her recipe file.

"American consumers spend 20 per cent of the family income for food," said a meat board specialist, "and the wise consumer will learn how to purchase and prepare foods so her family will have a nutritious and appetizing meal as well as an economical one. This year, Americans are expected to consume 166 pounds of meat, including a new record for beef of more than 91 pounds, plus some 65 pounds of pork, 5.2 pounds of veal and 4.5 pounds of lamb. This near-record supply of meat provides tremendous variety and offers the homemaker new opportunities and challenges in the meal planning and preparation department. Many helpful hints on buying plus new information on preparation and serving will be spotlighted during the three-day cooking school."

The National Livestock and Meat Board is the livestock and meat industry's 40-year-old meat promotion, education and research organization.

Hopwood died shortly after the accident, while Kintzing was hospitalized with head injuries and a fractured left leg. A son of James B. Jr. and Nancy (Stackhouse) Kintzing, Kintzing had been active in Scouting.

In addition to being on the staff at Camp Tuckahoe, he was chairman of Conewago District's Explorer cabinet. He was vice chairman of York-Adams Council Explorers' cabinet. ## Plan To Place Amesite Tuesday

Weather permitting amesite will be placed on S. Washington St. from W. Middle St. to the Warner Hospital entrance Tuesday.

Borough Engineer LeRoy H. Winebrenner said parking was banned on S. Washington St. today to permit the borough workmen to clean the street before the amesite is poured.

Work on the street began in June with borough workmen ripping out the former street and replacing its base. Traffic has been moving on the base for about a month preparatory to the placing of the amesite. The street will have the longest length of amesite of any local street maintained by the borough. Several years ago town council adopted a plan of amesiting a few blocks of streets each year, starting with those most in need of repair. The first year one block was completed, on Franklin St. The next year one block, Liberty St., was amesited.

This year approximately three blocks are being completed on S. Washington St.

## Names Lawbreaker; Gets His \$50 Back

Ronald Metz, Fairfield R. 1, got his money back from a beer can throwing charge Saturday and the charge of tossing the can Friday into the driveway at Swope's Service Station, Carlisle St., was placed against Randy Ramer, Orrtanna R. 1.

Metz, who had pleaded guilty and paid \$55 in fine and costs for permitting an occupant of his car to toss the can, took advantage of the provision of the law which excuses the owner of the car from which the "garbage or cans" are thrown if he makes an affidavit as to who did the tossing.

Friday night at 11 o'clock Metz was arrested by borough police on the beer can tossing charge and paid the fine and costs. He apparently later decided to take advantage of the provision of the law and submitted a sworn affidavit to Justice of the Peace Robert P. Snyder, after which the charge against him was withdrawn by police, he was refunded his money and a charge was brought against Ramer by police. A 10-day notice was sent.

By HOYT HARWELL

## DRY WEATHER BRINGS OFFER OF U.S. HELP

"The second year of drought in Pennsylvania has caused one of the worst livestock feeding problems for many farmers in the state," Raymond J. Kerstetter, state director of the Farmers Home Administration, said today.

To ease the burden on the farmers of Pennsylvania the Farmers Home Administration has declared 42 counties emergency loan areas.

Adams County is not among the 42.

This federal aid program is authorized to make loans at 3 per cent to farmers that cannot obtain credit from other sources. "The main purpose of the emergency loan program is to help farmers preserve and maintain foundation herds of cattle until they can produce feed for them," Kerstetter said.

## FOR MANY USES

Reports received from FHA county offices and the weather bureau indicated a deficiency in rainfall since April 1 in the designated counties from minus 5.26 in. in Wellsboro; 5.21 in. at Pittsburgh; 6.86 in. at Scranton and minus 12 in. in Lancaster.

Emergency loans may also be made outside of designated counties to eligible applicants who have suffered severe production losses as a result of a natural disaster.

Funds can be advanced for the purchase of feed, seed, fertilizer, insecticides and farm supplies, the repair of equipment, payment of one year's taxes, rent, insurance and other essential farm and home operating expenses. Loans may not be made to re-finance existing debts or to compensate applicants for their losses. Applications can be made at the Farmers Home Administration Office in the Adams Administration Building.

## 2 Migrant Workers Fined For Fighting

Two migrant workers, James Parker and Bobbie Ray Smith, both of Florida and near Arendtsville, were arrested Saturday night on disorderly conduct charges and paid fines of \$10 each and costs before Justice of the Peace John Whitman.

According to the justice the two had become involved in a fight near Arendtsville and had suffered injuries which were treated at the Warner Hospital before state police brought them before the justice on the charges.

William A. Hess Jr., 21, New Oxford R. 1, was fatally injured and six other persons were injured Sunday morning at 5 o'clock when two cars went off a township route in the Hanover impounding dam area 5 1/2 miles south of Hanover in West Manheim Twp., York County.

State police from the local substation, who investigated, said the cars had been "drag racing." Hess, a graduate of Bermudian Springs High School in 1961, was a passenger in a car driven, according to police, by Edward J. Clappsaddle, 22, of 591 Baltimore St., Hanover. Hess was pronounced dead on his arrival at the Hanover Hospital. The accident occurred in a wooded property a quarter mile west of St. David's (Sherman's) Union Church.

## RAN OFF CURVE

According to police, Clappsaddle's car, followed by a car driven by Frank Higgins, 19, 512 Diller Rd., Hanover, was driving west when the Clappsaddle car ran off the left side of the highway at a sharp right curve.

The car tore a guard post and its concrete anchor from the side of the highway, traveled 90 feet down hill through dense woods, shearing off several trees, and came to rest upside down with the seven occupants of the car underneath. The car was demolished.

Clothing of the youths was soaked with gasoline and several of the occupants of the car suffered burns from the effects of the fluid. Fire did not break out. The Pleasant Hill Fire Company called to the scene because of the spilled gasoline and danger of fire in the tinder dry woods, remained at the scene until noon in case any fire should occur.

## LIST OF INJURED

Higgins' car traveled 60 feet down the hillside in the path of the Clappsaddle vehicle, but did not upset.

The Hanover Fire Company and Penn Township ambulances and the Pleasant Hill Fire Company emergency truck removed the injured youths to the hospital.

Higgins, the only occupant in his car, was treated for bruises and scratches of the legs.

Those from the Clappsaddle car who were admitted to the hospital were John W. Chronister, 23, Hanover, who had a fractured skull and was listed as "in a serious condition" at the hospital; Edward Clappsaddle, the driver, who had a compound fracture of the right leg; Dennis Miller, 18, Spring Grove R. 2, who had a

## PUPIL RALLY ON CUBA STIRS RIOT SUNDAY

NEW YORK (AP)—A brawl involving 80 persons, egg-throwing and scuffles with police developed from a rally held near Times Square Sunday by students who recently violated the State Department ban on travel to Cuba.

Eight persons were arrested. The students held the Town Hall rally to discuss conditions they found in Cuba. They contended they were not allowed to describe them at violence-marked hearings before the House Committee on Un-American Activities in Washington last week.

Some 1,400 persons filtered into the hall on West 43rd Street and at one point 80 persons engaged in a free-for-all that disrupted the meeting for 20 minutes.

### POLICE ESCORT

During the melee, an anti-Castro demonstrator was knocked unconscious. He required hospital treatment.

When the two-hour meeting ended, helmeted police formed a corridor through which the 1,400 persons could pass safely from the hall to a nearby subway station.

Persons at the rally were heckled and became targets for eggs and other foodstuffs hurled by anti-Castroites, some 50 of whom had been picketing the hall.

About 500 anti-Castro demonstrators sang the Cuban national anthem and occasionally tried to break through the wall of police who numbered more than 250.

### Sen. Clark Warns About Pa. In '64

WASHINGTON (AP)—Sen. Joseph S. Clark, D-Pa., has cautioned the Kennedy administration that it will be hard for the President to carry Pennsylvania in the 1964 presidential elections. Clark said Kennedy will have to make a strong appeal to Pennsylvania's independent voters or lose the state.

"We took a licking in the last governor's race, and lost the patronage that goes with it," Clark said Saturday. "President Kennedy won only by a whisker in 1960."

## Today In Washington

WASHINGTON (AP)—In the news from Washington:

VIET NAM: There is great support in the Senate for a resolution calling for an end to U.S. aid to President Ngo Dinh Diem's government in South Viet Nam unless it changes course, according to Sen. J. W. Fulbright, D-Ark.

The chairman of the Senate Foreign Relations Committee said Sunday in a television interview that he supports the resolution introduced by Sen. Frank Church, D-Idaho, "in the sense that I disapprove of what is going on" in South Viet Nam.

SURPRISE ATTACK: Secretary of State Dean Rusk says some additional steps to guard against surprise attack may be worked out in forthcoming talks with the Soviet Union.

But, cautioning against expecting any quick, dramatic results, Rusk said "it takes time to find agreement. We ought to see whether or not our common interests in avoiding war can't bring one or another of the problems into focus so we can get an additional agreement on it."

TAXES: House Democrats have written into President Kennedy's \$11 billion tax cut proposal a promise to limit federal spending to "essential goals of the nation."

The action was viewed as a move to block a Republican effort to force a specific limit on spending as a condition for passing the tax cut bill.

### Say Pittsburgh Boy Can Read At Fantastic Speeds

PITTSBURGH (AP)—Teachers say a Pittsburgh boy can read 10,000 words a minute, has been clocked at 30,000 on several occasions and once hit 40,000 words per minute.

The ability of Bill Carmack, 17, of the city's Mt. Washington section, was discovered last spring while he was taking a speed reading course at South Hills High School.

In a copyright story today, the Pittsburgh Post-Gazette quoted school principal Roy T. Mattern as saying: "He's just one of those people who can glance at a page and tell you what's on it."

## ROCKEFELLER SAYS DIVORCE HURT CHANCES

WASHINGTON (AP)—New York's Gov. Nelson A. Rockefeller says it's "realistic" to look upon his remarriage as seriously damaging his chances for the 1964 Republican presidential nomination.

"I have a very deep understanding of the reactions of individuals in this situation," he said Sunday night in a television interview—NBC's "Meet the Press."

"I have no sense but one of feeling for people's concern."

"I think it is a situation which in political life is difficult."

He expanded his views further today in an interview in U.S. News & World Report. Commenting on his divorce and remarriage he said:

"I think that the reaction on that subject is a highly personal one with all people. Until such time as there is an occasion when they have to make a decision, it's hard to tell exactly what that reaction will be."

"But when an individual has to make a decision, whether it's in a convention or in the voting booth, then I think that he will bring that factor, along with all of the other factors, into balance and make a decision. The collective effort of all the people's decisions would, of course, give the answer."

He noted that the Gallup Poll now has Sen. Barry Goldwater of Arizona in the lead for the nomination, but said he believes someone else could end up with the big prize.

As for Goldwater, the Arizona said in an AP interview that if he decides to go after the presidential nomination, one of the main reasons would be his belief that as head of the ticket he could help Republicans get elected to the House and Senate in the South, Midwest and West.

"Win, lose or draw, if I were the nominee, I believe I could help get a lot of Republicans elected," he said.

## SAYS DAD TRIED TO KILL HIM

BEAVER, Pa. (AP)—The defense was expected to rest its case sometime today in the murder trial of Walter Hlista Jr. The 19-year-old Hlista, accused of slaying his police chief father, Walter Sr., 44, testified at a special session Saturday that he could not remember everything the night his father was killed.

He also told the Beaver County Court that his father was so cruel to him that he twice tried to kill himself—once by banging his head against a cellar wall and again by attempting to drink laundry bleach.

Hlista said that on the night of the shooting last Feb. 28 his father returned from walking the dog and told him to "go to bed . . . get out of my sight, bum."

"I walked toward the hall," he said, "It (a numbness) came up in my chest. Then I don't remember anything."

## Says Negro Vote Would Go To JFK

NEW YORK (AP)—Republican Gov. William W. Scranton of Pennsylvania, fresh from Denver, Colo., where he accented the civil rights issue, says a heavy portion of Negroes would vote for President Kennedy if the presidential elections were held this month.

Scranton, attending a governor's conference in Denver, had told newsmen the civil rights issue hurt the president's chances for re-election. He said he thought the Republicans were taking a positive approach to the civil rights through improving employment opportunities for Negroes.

Scranton said in a radio interview Sunday that it is "pretty clear" to him that Sen. Barry Goldwater, R-Ariz., will try for the Republican presidential nomination. But Scranton said Goldwater is "very unpopular" with Negroes.

## Negroes Reject Judge's School Plan

PHILADELPHIA (AP)—A proposal by a Negro judge that a \$200,000 study be made of Philadelphia schools before any "direct action" is taken to curb alleged segregation has been rejected by a group of Negro ministers.

Common Pleas Judge Raymond Pace Alexander, who made the proposal last Friday, contended the study would answer questions relating to the school integration problem.

The plan and its sponsor also were criticized by Cecil Moore, president of the local chapter of the National Association for the Advancement of Colored People. Moore accused Judge Alexander of entering the anti-segregation fight "uninvited, unexpected and uninformed."

Little Miss Laura Hankey, 111 Charles St., Littlestown, was flower girl. She was attired in a floor-length dress of emerald green, fashioned like that of the honor attendant. ## Tiny Quints

(Continued From Page 1)

Charlotte will be 7 Wednesday and Danny will be 8 Oct. 5. The other Fischer children are Evelyn, 4, and Denise, 3.

While the father and Dr. Berbos were busy with periodic news conferences in the hospital cafeteria Sunday, Mrs. Fischer rested in her third-floor room and tried to think of names for the four girls. They all were named Mary but have no second names. The boy was named James Andrew.

BAPTIZE, CONFIRM

Roman Catholic Bishop Lambert A. Hoch chartered a plane from Sioux Falls Saturday to baptize and confirm the quintuplets as they lay in their isolettes, kept comfortable by controlled heat, humidity and oxygen.

Quintuplets occur only about once in 42 million births. Of the three previous quintuple births in the United States, none of the children survived infancy.

The births came in comparative rapid fashion, the first infant arriving at 1:58 a.m. Saturday and the last at 3:01 a.m. The boy was the fourth one born.

Officials of the Nash-Finch wholesale grocery warehouse, where Fischer works as an \$80 a week billing clerk, said it was all right if the proud papa didn't show up for work for a few days.

The Rev. William Neuroth took advantage of the event in his sermon Sunday to criticize proponents of birth control.

### "FILL THE EARTH"

"Be fruitful and multiply, fill the earth and subdue it," Father Neuroth quoted from the Bible's Book of Genesis.

The infants were expected to stay in their isolettes for possibly two months or more, until they've reached 5½ pounds. The boy, heaviest of the quintuplets, weighed about four pounds at birth. His sisters ranged from about 2½ to 3½ pounds.

Mrs. Fischer, 30, who had been in considerable pain shortly following childbirth, was able to walk around her room Sunday.

## NEW MARCHES BEING PLANNED

UNITY HOUSE, Pa. (AP) — President Kennedy says progress is being made by Negroes and other minority groups in eliminating discriminatory practices in employment.

The President made the comment in a telegram to the fifth annual Jewish Labor Committee National Trade Union Conference on Civil Rights holding a week-end meeting here.

Kennedy said much of the job discrimination resulted from "practices that have existed and to the fact that many of these groups have not been able to secure adequate education and training."

Charles S. Zimmerman, national chairman of the Trade Union Council for human rights, sent a telegram to Kennedy Sunday expressing "outrage at the news of the Birmingham church bombing" that resulted in the death of four children and injury to many others. The telegram urged the president to reassign every federal law enforcement agent available.

At one of the sessions, James Farmer, national director of the Congress on Racial Equality, told the 500 delegates of plans for marches in New York City, Los Angeles and San Francisco. He said the New York demonstration would be held Oct. 13 to protest alleged segregation in trade unions; dates for the California demonstrations were not disclosed.

R. C. MORSE DIES

PHILADELPHIA (AP) — Services were to be held today in Pittsburgh, N.J., and Tuesday in Brooklyn, N.Y., for Richard C. Morse, a retired vice president of the Pennsylvania Railroad.

Morse died Saturday at his home in Pittsburgh at the age of 81.

HAVANA (AP) — A Cuban accused of spying for the United States has been executed by a firing squad.

The newspaper El Mundo identified him as Benjamin Acosta Valdes. It said he was arrested while transmitting information by radio to an espionage center in Miami, Fla. The sentence was carried out Saturday.

## ONE HUNDRED YEARS AGO

The following is a letter written by David Willis in relation to the proposition of establishing a Soldier's Cemetery at Gettysburg, "Gettysburg, August 26, 1863. To His Excellency A. G. Curtin, Governor of Pennsylvania, Sir: By virtue of the authority reposed in me by your Excellency, I have invited the co-operations of the several loyal States having soldiers dead on the battlefields around this place, in the noble project of removing their remains from their present exposed and imperfectly buried condition in the fields for miles around, to a cemetery. The Chief Executives of fifteen out of seventeen States have already responded, in most instances: highly pledging their States to unit in the movement; in a few instances highly approving of the project, and stipulating to urge upon their Legislatures to make appropriations to defray their proportionate share of expense. I have also at your request selected and purchased the grounds for this cemetery, the land to be paid for by, and the title to be made to, the State of Pennsylvania, and to be held in perpetuity devoted to the object for which purchased. The grounds embrace about fourteen acres on Cemetery Hill, fronting on the Baltimore turnpike and extending to the Taneytown Road. It is the ground which formed the apex of our triangular line of battle and the key to our line of defenses. It embraces the highest point on Cemetery Hill, and overlooks the whole battlefield. It is the spot which should be specially consecrated to this sacred purpose. It was here that such immense quantities of our artillery were massed and during Thursday and Friday of the battle dealt out death and destruction to the rebel army in every direction of their advance. I have been in conference at different times with agents sent here by the Governors of several of the States and we have arranged details for carrying out this sacred work. I herewith enclose you a copy of proposed arrangement of details, a copy of which I have also sent to the Chief Executive of each State having dead here. I have also at your suggestion cordially tendered to each State the privilege, if they desire, of joining in the title to the land. I think it would be showing only a proper respect for the health of this community not to commence the exhuming of the dead and removal to the Cemetery until the month of November, and in the meantime, the grounds should be artistically laid out and consecrated by appropriate ceremonies. I am, with great respect, your Excellency's obedient servant. DAVID WILLIS."

Another Warning: A terrible accident occurred last Wednesday evening in opening a shell found on the battlefield, resulting in the death of James M. Culp, an interesting son of Daniel Culp of this place. The deceased had opened a number of shells with impunity, that evening; while at work upon another on the Cemetery grounds the shell exploded, fearfully lacerating his hands and legs and a piece entering his abdomen. Some gentlemen at work in the Cemetery grounds had their attention attracted by the explosion and discovering the nature of the accident, the body was immediately carried to the residence of his afflicted parents. Dr. Horner was at once called in but death relieved the sufferer in an hour or so. The deceased was in his 17th year. It is to be hoped that this terrible accident will put an end to this business of opening shells. Several accidents have already occurred and the wonder is that many more have not been killed.

## PIN-PRICKS

It's the pesky unkind little things that do the most damage to our days. Such as some bitter words spoken or written that create moments of unhappiness for someone else, but which keep coming back to shame oneself for having given them life.

Most intelligent people face a dangerous situation with calm and courage, but all allow the petty things of life to irritate and despoil their peace of mind. You have to draw a great deal upon character to pay no attention to the pin-pricks of this life.

We need all the reserve in patience that we have accumulated. In times of emergency this patience often saves the day!

Nerve force is what keeps youth alive — and it is possible for us all to carry much of the spirit of youth with us all our days. The pin-pricks of anger unjust criticism, petty complaints, and ill-will toward the world for some trifling event, draw heavily upon nerve force.

Kindness and consideration for the feelings of others will never wear out as among the great virtues bequeathed to us at birth. If the world ever gets through with them, then the world itself will be in a bad way!

Some people are all pin-pricked with minute worries. You can almost see them on their faces as you meet them or see them passing by. The calm and joyous in heart, the well controlled, and the hopeful, overlook, the pin-pricks.

If you have a plan of life hidden away from all eyes save your own, you will go forth each day in high heart and it won't matter if problems press or if the day is dark. The pin-pricks won't get through!

## Just Folks

CHILDHOOD'S GRIEF  
The tears of a child are as real  
As the tears of a man;  
The pain which all children must feel  
Cuts as deep as it can.

The serious cares of old hearts  
No more serious are  
Than childhood's innumerable  
smarts,  
Though they leave not a scar.

You may smile at the doll's  
broken head,  
But its young owner cries.  
And the tears which in sorrow  
are shed  
Are like those from your eyes.

And the sighs and the groans are  
as real  
Till the agonies close,  
Which all children must suffer  
and feel,  
As those which Age knows.

Sale of Surplus Stock and Remnants: To make room for new goods we have placed upon the counter a large variety of choice and desirable goods. Among the remnants are dress pattern lengths, plenty that will do for wrappers, and many a piece with just the yards you'd take for the child. There isn't anything like such another gathering of good goods for as little money to be got anywhere. J. L. SCHICK.

There will be a Harrison and Morton pole 105 feet in length raised in Hilltown on next Saturday afternoon at 5 o'clock. It will be placed on the spot where the Whigs in 1840 erected one which was cut down by the opposition and re-erected and bound with iron to the height of 12 feet, to protect it from saws and augers. From present appearances it looks as if by the 6th of November there would not be opposition enough to Harrison and Morton to push a saw or turn an auger or in other words, there are plenty of people opening their eyes at the free trade snap game of tariff for revenue only, that will surprise the leaders of the county Democracy.

Steeler Nearly  
Chokes To Death

PHILADELPHIA (AP) — Pittsburgh Steeler linebacker John Reger was reported in satisfactory condition at University Hospital today after severely choking in Sunday's game with the Philadelphia Eagles.

Reger was knocked unconscious after tackling Theron Sapp at the end of the first quarter. His face darkened as he began choking, apparently on his tongue.

The Eagles team physician, Dr. James Nixon, went to get a knife, apparently planning to try an emergency tracheotomy on the sideline. Dr. James Best, the Steelers physician, forced a pair of scissors into Reger's mouth and finally forced the player's mouth open and he started to breathe again.

GEORGIA TECH  
WHIPS FLORIDA  
IN FIRST TILT

By BOB GREEN

Associated Press Sports Writer  
When you've got a wet field, a slippery football and Billy Lott, the solution is simple: You give him the ball and tell him to kick it.

He did, often and well, and made the difference as Georgia Tech booted Florida 9-0 Saturday and got the major college football season off to a soggy start.

The do-everything quarterback punted seven times, averaging 42 yards and keeping Florida backed to the wall. And his 35-yard field goal late in the first half broke a scoreless tie and was all the margin Tech's stubborn defense needed.

## FLORIDA STOPPED

Florida was held to a minus five yards rushing, 41 passing and was penalized 75 yards in the only major college game of the week.

The season gets off to a full start this week with Southern California opening defense of its national championship at Colorado. The mighty Trojans, who swept through a tough, 10-game schedule unbeaten last season, then fought off Wisconsin 42-37 in the Rose Bowl, are favorites to repeat.

Southern Cal potted 34 first place votes from an Associated Press panel of 55 sportswriters and sportscasters as the team most likely to come out on top.

## TOPS 10 TEAMS

On the basis of 10 points for a first place vote, nine for second, eight for third and so on, the Trojans had 484 votes. The rest of the top ten, in order, were: Mississippi, Alabama, Oklahoma, Texas, Northwestern, Wisconsin, Arkansas, Navy, Ohio State and Washington, the latter two tied for 10th.

In addition to Georgia Tech's victory, some of last Saturday's major games included Buffalo's 34-0 romp over Gettysburg, New Mexico State's 21-0 blanketing of Eastern New Mexico, Richmond's 10-7 edge over East Carolina, Furman's 17-0 victory over Davidson, Xavier's 9-7 loss to the Quantico Marines, and a 31-8 rout of Georgetown by Emory and Henry.

RAIDERS WIN  
EASILY OVER  
BUFFALO BILLS

By THE ASSOCIATED PRESS

Only four players are left from the original Oakland Raiders. And it shows.

The new-look American Football League club has played two games, won two games, doubled last year's victory output and entered its name in the Western Division championship sweepstakes.

The man responsible is new Coach Al Davis, who at 33 is the youngest man on his own staff. Quarterback Cotton Davidson, only four years younger than Davis, engineered the attack Sunday, passing for two touchdowns and scoring one as the Raiders overwhelmed Buffalo 35-17 before 17,569 at Oakland.

## 2 OTHER GAMES

The Oakland-Buffalo game wound up a weekend program that began Saturday with San Diego edging Boston 17-13 before 26,097 at San Diego and Houston beat Denver before 22,855 at Houston.

Kansas City and New York were not scheduled.

In the National Football League's opening program, the Chicago Bears upset Green Bay 10-3. New York defeated Baltimore 37-28. Cleveland walloped Washington 37-14. Minnesota beat San Francisco 24-20. St. Louis crushed Dallas 34-7. Detroit whipped Los Angeles 23-2 and Pittsburgh and Philadelphia tied 21-21.

## LOSING STREAK

Of the original Raiders who took the field when the AFL started in 1960, only quarterback Tom Flores, center Jim Otto, guard Wayne Hawkins and linebacker Bob Dougherty remain.

They were on hand as the Raiders endured a 19-game losing streak that stretched from 1961 to the last game of 1962. Now new faces have been brought in.

Davidson connected on 14 of 29 passes for 315 yards.

NEW YORK (AP) — On the night

of June 17, 1946, Dizzy Dean, while broadcasting the Red Sox-Braves game in St. Louis, informed his listeners that the Cardinals were ahead in their night game in Boston. "Spahn is now pitching for the Braves," said Dizzy and then added, "Who in the world is Spahn?"

Then 25 years old, Spahn, home from overseas where he had served more than three years, was making his first appearance of the season for the Braves. Four years before he had made his first appearance ever for the Braves. Casey Stengel was the manager.

This is the same Spahn whom youngsters regard as a model and oldsters regard as a self image. Youngsters play baseball because of what happened to Spahn. They dream it should happen to them. He grew up poor. He signed his first baseball contract at \$80 a month. Today, he pulls down \$75,000 a year, not including the money he gets from endorsements, commercials and occasional appearances on television and radio.

## CAME FROM BUFFALO

Born of parents of moderate means in Buffalo, Spahn today owns a 2,200-acre ranch in Hartshorne, Okla., roamed by 800 white faced Herefords. He has oil stock and real estate. His most valued possession, however, is his indestructible left arm.

"I guess I've been blessed with an exceptional arm, at that," the 42-year-old wonder pitcher acknowledged, "I take care of it but I've never babied it."

How well Spahn has taken care of that precious left arm is attested by his incredible durability which has carried him through 18 big league seasons, over 600 starts, nearly 5,000 innings, 347 triumphs and 13 20-game winning seasons.

When Spahn defeated Philadelphia 3-2 Sunday for his 20th victory in 25 decisions, he became the first pitcher in baseball history to reach the 20-victory mark at the age of 42. Cy Young, the only pitcher to register more 20-game winning seasons than Spahn, won 19 at 42 in 1909. Grover Alexander won nine at that age. Dazzy Vance six. Ed Plank five and Ted Lyons 14. All the remaining greats including Hall of Famers Walter Johnson, Christy Mathewson, Charles Kid Nichols, Hoss Radbourne, Lefty Grove, Dizzy Dean and Carl Hubbell were long gone from the scene at 42.

## Bulls Stampede To 34-0 Triumph Over Bullets In Grid Opener At Buffalo

The Gettysburg College football team inaugurated its 71st season on a sour note Saturday afternoon in Buffalo, N.Y., as the University of Buffalo romped to a 34-0 win behind the generalship of "Long" John Stofa and the defensive play of Sophomore Gerry LaFountain.

All was not in vain for the Bulls as they exhibited some fine form at times before the 9,097 fans who jammed Rotary Field for one of the top early opening clashes of the season. Vance Johnston fired 15 aerials and completed seven for 104 yards while Sophomore Jim Ward hit on 50 per cent, completing seven of 14 for 53 yards. Ken Snyder and Sophomore Dale Boyd took an early lead in the pass receiving department as each pulled down four for a total of 129 yards.

One of the big problems for the Bulls was their rushing game. Gettysburg carried the ball 28 times for a minus 26 net yards. Buffalo had a squad that lived up to all expectations. The Bulls were well coordinated, big, heavy and full of depth. Coach Dick Offenhauer utilized three units and at times went into his fourth and fifth squads. Gettysburg had two full teams and worked in half of a third.

### BULLS START SCORING

The Bulls held their ground for the first period, playing Buffalo to a 0-0 draw. The defense did exceptionally well. In the second quarter the Bulls caught fire and there was no stopping them. Sparked by the driving of tailback Tom Butler, Buffalo marched 80 yards on 13 plays plus a 15-yard penalty. Butler capped the march with a one-yard plunge off left tackle. Tony Presogna bolted through to hit Stofa in his attempt for the point.

Before the half ended, Buffalo scored two more TD's and led 20-0 at intermission. With 7:10 gone by in the period, Stofa covered 62 yards in two plays when he hit Dave Nichols for 40 yards and followed by connecting with Gerry Pawloski for the remaining 22. Stofa also ran the extra point. With 1:20 to go in the half, Don Gilbert hit Bob Edwards for 19 yards capping a 67-yard, nine-play drive.

In the third quarter, the Bulls put on a 96-yard drive for their fourth score. After Dave McNally recovered a Bullet fumble on the four, Buffalo drove the length of the field in 11 plays with Jim Burd bucking over from the three. The score came with 3:05 left in the period. The New Yorkers' final six-point came with 6:06 remaining in the game. Jim Ryan capped a 34-yard, three-play drive with a 24-yard jump off right tackle. Stofa ran for his second extra two points.

### THREATEN TWICE

Gettysburg had two deep penetrations in the game. In the first quarter, Johnston drove the Bulls to the Buffalo 15 only to be stopped by a penalty and three unsuccessful aerials. In the third period, Gettysburg, once again under the direction of Johnston, moved the ball to the Bulls' four-yard line, but the Bullet quarterback fumbled to set the stage for a long Buffalo TD drive.

Saturday's clash marked the final in a five-game series between the two schools. Buffalo has won all five outings in consecutive years. The Bulls are also entering their second year as a major college on the gridiron.

There were no injuries reported Saturday. The squad feels it will do a much better job next week and are quite confident of coming off with their first victory.

## LOU MICHEALS STUNNED BY TWO FAILURES

**By RALPH BERNSTEIN**  
Associated Press Sports Writer  
PHILADELPHIA (AP)—"I just missed. What can I say? I just missed."

Lou Michaels, the great left-footed placement kicker of the Pittsburgh Steelers, sat dejected in the locker room with his head in his hands.

Michael's the top place kicker in the National Football League, had just missed two conversions in an NFL opener with the Philadelphia Eagles, which wound up in a 21-21 tie.

"I can't remember ever missing two conversions in one game, not even in high school," said Michaels, second leading scorer in the league last year with 26 field goals, 32 conversions good for 110 points.

What happened to the human kicking machine?

Michaels insisted he just didn't know. The Eagles, however, felt the 240-pound Steelers' tackle simply was the victim of great rushing, especially by Irv Cross, Philly defensive back who blocked one Michaels conversion effort.

Coach Nick Skorich of the Eagles said Michaels adjusted on the second conversion effort to compensate for a rush by Cross, and as a result hit an upright, the ball bouncing back onto the field.

Steelers' Coach Buddy Parker observed that he has been in the NFL since 1935, "and this was the first time I saw two conversions missed in one game."

Michaels of Swoyersville, Pa., didn't draw a blank on the day. He booted field goals of 38 and 0-yards in the first period to keep the Steelers in the game. The Eagles led 7-6 at halftime on the first of quarterback Sonny Jurgensen's three TD passes. Twice, however, Michaels missed field goal tries before the day was over.

Parker, who feels his Steelers can dethrone the Eastern Division champion New York Giants, said Michaels will have to boot those points if the job is to be done. "Michaels is as important to us as (Lou) Groza was to the great Cleveland Browns team," Parker said.

Dr. G. Donald Wicketham and Dick Crist of the Gettysburg Country Club shot a 73 in the Mason-Dixon better ball of partners golf tournament Sunday at the South Hills course, near Hanover.

Two teams tied for first place with 69s and will play off next Sunday. They were Gordon Goodson and Paul Garretson, and Woody Harner and Tom King.

## WHITEY FORD DROPS TWINS ON 2-HITTER

**By JACK HAND**

Associated Press Sports Writer

Whitey Ford is ready any day the Dodgers and Cardinals get things settled. If the Dodgers win, he and Sandy Koufax will open the World Series. If the Cardinals prevail, Ford's Yankee Stadium opponent Oct. 2 probably will be Curt Simmons.

Ford proved Sunday that he is primed for his usual October exercise. The New York Yankees' ace threw a two-hitter at the Minnesota Twins for his 23rd victory, 2-1.

Financially speaking, Ford and the Yanks undoubtedly would vote for a rich series with Los Angeles and its big ball park. However, the possibility of a head-to-head joust with the fearless St. Louis club and a dramatic final appearance for Stan Musial must be alluring.

### PULL TRIPLE PLAY

No matter who wins the National League, the Yankees aren't going to let any rust develop after their early pennant clinching in the American League. The defeat dropped Minnesota into third place behind Chicago, whose game at Washington was rained out.

Baltimore edged Detroit 2-1, although the Orioles were victims of the first triple play in the league since 1960. Felix Mantilla's two-run homer off John Wyatt enabled Boston to down Kansas City 5-3. Cleveland beat Los Angeles 5-0. Belinsky 6-3.

## ARENDTSTVILLE TAKES TITLE IN SP LEAGUE

Squeezing home a run in the bottom of the 12th inning, Arendtville captured the 1963 championship of the South Penn Baseball League by nipping Taneytown 7-6 Sunday afternoon at Arendtville in a marathon game requiring 4:10 hours of play.

Jim Spence, manager of the new champs, executed a perfect bunt to send home the winning tally. After one was out, King smashed a double. Shultz singled with King stopping at third. Pitzer was purposely passed to fill the bases and then Spence pushed his bunt past the pitcher to send King flying home with the run.

The game was marked by five home runs, four by Taneytown. McNair rapped two and Shank and Frantz one each. Dick Pitzer, who went the route for Arendtville, also homered. Taylor led the winners with four hits.

Arendtville won the second half league title while Taneytown took first half honors and Sunday's victory was the second straight for Arendtville in the best-of-three series.

## Bermudian Falls Victim To Juniata Joint 34-0 In Game At Biglerville

Juniata Joint scored in every period to romp to a 34-0 decision over out-manned Bermudian Springs Saturday afternoon on the Biglerville High School field.

After receiving the opening kickoff Juniata marched to the Bermudian 20 where the drive was stopped when Larry Bobb intercepted a pass. A short time later Bobb's pass was intercepted and returned for a touchdown. Bermudian received the ensuing kickoff, was unable to move, and punted with the invaders marching 45 yards for another score.

A recovered fumble set up the third Juniata score in the second period. Bermudian made a gallant stand at the goal line but on fourth down Juniata smashed over from the one.

## CHICAGO BEARS DUMP PACKERS IN BIG UPSET

**By BOB GREEN**

Associated Press Sports Writer

"They beat us."

Jim Ringo said it, the first time such a phrase had been uttered in a Green Bay Packer home dressing room in three years.

"We had nothing going," said Coach Vince Lombardi. "We couldn't even get our hands on the ball. We were lucky to get away 10-3."

That was the score by which the Chicago Bears upended the mighty Packers in the surprise of the day as the National Football League got off to its 44th season.

### BUSINESS AS USUAL

Otherwise, it was business as usual for such standouts as Jim Brown and Y. A. Tittle. Brown ran for 162 yards and scored three times in the Browns' 37-14 romp over Washington before 57,618 in Cleveland and bald, ol' Y. A. passed for three touchdowns and ran for another in New York's 37-23 comeback over the Colts before 60,029 in Baltimore.

Minnesota came from behind and edged the 49ers 24-20 in San Francisco and Pittsburgh had to settle for a 21-21 tie in Philadelphia when Lou Michaels blew a potential tie-breaking conversion, in other Sunday games.

Detroit blasted the Rams 23-2 at Los Angeles and St. Louis upset Dallas 34-7 on the Cowboys' home field in Saturday night encounters.

### BIG BOMB IN GREEN BAY

In the American Football League, Houston edged Denver 20-14 and San Diego got by Boston 17-13 Saturday, and Oakland beat Buffalo 35-17 Sunday. Kansas City and New York were idle.

The big bomb was dropped in Green Bay. The powerful Packers, gunning for a third straight league title and beaten only once last season, never got untracked against the Bears' crushing defense.

The Bears picked off four Bart Starr passes, limited the Packer quarterback to 11 completions in 22 attempts for 73 yards and held the vaunted Packer ground game to 77 yards, 53 in 12 attempts by Jim Taylor.

### FIELD DAY FOR BROWN

The Bears' Bob Jencks kicked a 32-yard field goal and the Packers' Jerry Kramer matched it from 41 yards out, both in the first quarter. The Bears broke the tie in the third period with Billy Wade directing a 68-yard march and passing them into position on the one. Joe Marconi rammed over from there.

Brown, a five-time rushing leader, who relinquished the crown to Taylor last year, had a field day against the Redskins. He averaged 10.8 yards on 15 carries, caught three passes for 100 yards, scored on runs of 80 and 10 yards and took an 83-yard pass for another touchdown.

### TITTLE TAKES CHARGE

Frank Ryan riddled the Redskins secondary, completing 21 of 31 passes for 334 yards and two touchdowns. Washington equalled a league record with George Izo combining with Bobby Mitchell on a 99-yard scoring pass.

The Eastern Division champion Giants fumbled and bumbled their way to a 21-3 deficit early in the first period before the 36-year-old Tittle took charge. He passed for three touchdowns to pull the Giants to within four points, 28-24, at halftime, then loped nine yards for a third-period touchdown that put the Giants ahead to stay.

### Major League Stars

**By THE ASSOCIATED PRESS**  
**PITCHING**—Dallas Green, Phillies, checked Los Angeles 6-1 on five hits as Dodgers' National League lead was trimmed to one game over second-place St. Louis.

**BATTING**—Ken Boyer and Charley James, Cardinals, led attack in 3-2 and 5-0 victories over Milwaukee that extended St. Louis' winning streak to 10 games. Boyer hit decisive homer in first game, James collected three hits and drove in two runs in nightcap.

**BATTLE CREEK**, Mich. (AP)—Seattle rallied for five runs in the ninth inning and defeated Culver City, Calif. 10-6 Sunday night in a bid for a second American Amateur Baseball Congress championship.

## Canners And Big Spring Battle To 13-13 Tie In Opening Their Campaigns

Biglerville and Big Spring battled to a thrilling 13-13 deadlock Saturday night at Newville as both teams opened their 1963 season with the Blue Mountain League game.

Big Spring scored late in the first quarter when John Ludt, who tallied all of the Bulldogs' points, smashed over from the three. He then added the placement to make it 7-0.

### FUMBLE COSTLY

After receiving the following kickoff the Canners moved 60 yards for a score, the big ground-gainer being a 38-year pass play from Mike Kane to Rodney Guise which put the ball on the Bulldogs' 4. Bob Thompson was held for no gain before Jeff Horick picked up half a yard. Kane, on a quarterback sneak, went through to pay dirt and then added the tying point on a run.

## Civil Disobedience Plagues State Over Bible Banning And Civil Rights Statutes

By RICHARD L. GRAVES  
HARRISBURG (AP) — Pennsylvania is weathering a rash of civil disobedience that poses a problem of political leadership.

The disobedience ranges from a probable boost in bootleg booze (reflected by reduced state store sales) at one extreme to an outbreak of bootleg Bible reading in public schools at the other.

At its least, it is reflected in the increased number of license suspensions and revocations for traffic violations (up 13 per cent from last year). At its worst, it was a near riot in Folcroft, Delaware County, against a Negro family moving into a previously all white neighborhood.

### LAW BREAKING

Civil disobedience is another way of saying law-breaking. The problem for politicians is what to do about the law—change it; enforce it, or ignore it.

At the national level, of course, civil disobedience in one form or another has virtually dominated the news in relation to the race issue. Perhaps the widespread attention to civil rights has turned the thoughts of the population to disobedience in general. But just what the cause-and-effect relationship is in the over all pattern is unknown.

Whatever the reason, there seems to be a shifting mood in the population of rebelliousness against authority, specifically the law.

### RIGHTS LAWS

Negroes broke segregation laws in their efforts to achieve civil rights. When their position subsequently became law, via court decisions or special laws (as in Pennsylvania), the white population broke the new law to maintain the old status quo.

In the South, civil authority, which imposed segregation, itself became the source of civil disobedience against higher authority. At Folcroft more citizens turned out to oppose the law than to support it.

During the past week a typical contradiction in civil disobedience occurred. A group of ministers from the Folcroft area strongly protested to State Police Commissioner E. Wilson Purdy that his troops did not pursue enforcement of the law stringently enough in the Folcroft racial disturbance.

### OTHER MINISTERS

But while those ministers urged enforcement of the law, scores of others urged disobedience of a U.S. Supreme Court decision—which is the law—banning Bible reading in public schools.

A number of school boards announced they would ignore the law and require Bible reading to pupils.

That is civil disobedience.

### STILL THE LAW

That doesn't mean the law involved is right, wrong or indifferent. But until some other social contract replaces it, it is the law.

The right of civil disobedience is firmly upheld in political philosophy through the centuries, but no theorist ever defined—and none probably could—precisely when the right can be exercised.

Historically, when the right has been exercised its "rightness" has been determined by whether it was exercised successfully. Thus, Americans don't question the right of revolution when they speak of

the successful 1776 venture. But at the same time it is felt the confederacy had no right to secede from the union four score and seven years later. Assessment of the right followed the war.

### IS DANGEROUS

Civil disobedience at best is a dangerous thing. The philosophers who defined it as a right also contended it is a right to be used sparingly and only against tyranny.

John Locke, a 17th Century political theorist, said in his essay "The Right of Revolution" that citizens should not oppose authority without vast cause for "this will unhinge and overturn all politics and instead of government and order leave nothing but anarchy and confusion."

He added this warning that still applies in 20th Century Pennsylvania: "Wherever law ends, tyranny begins."

### Law Freezes Wages Of Civil Employees

HARRISBURG (AP) — State employees recently brought under the civil service law are ineligible for pay increases for at least the next 60 days under a Scranton administration order.

The wage-freeze was ordered in a department directive issued by William G. Murphy, secretary to the governor, it was learned.

Murphy said the order was issued pending development and review of procedures for implementing the new law.

The act puts some 30,000 state employees under an 18-month probationary period before they are granted full statutory tenure.

Murphy said the estimated 20,000 persons previously covered by civil service, bureau and division chiefs and other supervisory personnel are not included in the order.

HARRISBURG (AP) — Dr. James M. Clark of Philadelphia is the new president of the Pennsylvania Chiropractic Society.

He was elected Friday night to succeed Dr. Samuel G. Wenger of Lancaster for a one-year term.

HARRISBURG (AP) — Nov. 12 was officially set by Gov. Scranton Friday for a special session of the general assembly to consider legislation to reapportion legislative districts.

### ADVERTISE IN THE TIMES

## A Lovelier You

By MARY SUE MILLER

YOUR MOST ATTRACTIVE FACE. What does your make-up do for you, or against you? When did you last take a critical look?

The time is ripe for an appraisal. The same old make-up and new fall fashions can be en-

tirely out of key. Certainly those blobs of eyeshadow, still on the scene, are not cued to the whingeing nonchalance of daytime clothes.

What's wanted is a fresh, natural make-up—one that makes the most of your endowments without "advertising" the cosmetics used. And praise be, for a lovely's face is never more charming than when its beauty appears to be spontaneous.

The first step to an ideally natural make-up is a warm glow for the skin. It can be achieved in several ways: with a pink-laced powder base; with skin-toned base, topped either with a blush of rouge or worn over pink prefoundation.

As for application, use a light hand with rouge and prefoundation. But be generous with powder base—spread it liberally. Let it set and then blot with tissue until only a film remains. After a fluff of powder, the effect has the diffused radiance of complexion perfection.

It is furthered by soft gray, golden brown or off-white shadow, applied as an eye highlight rather than a headlight. Liner and mascara, when used, are never anything but discreet.

A glowing lipstick, buoyant in color and satiny in texture, is the finish. And what a finish! Like nature's best efforts!

## H. MARSHALL REFLECTS ON HIS CAREER

By BOB THOMAS

AP Movie-Television Writer  
HOLLYWOOD (AP) — "Somehow I miss those days of the Rolls-Royces and the beautiful evening gowns, Hollywood had a lot more flavor then."

This was Herbert Marshall speaking, he of the gentle face, the warm voice and a rolling gait (a leg lost in World War I). Long a choice portrayer of gentlemanly Brits, he is still at his trade and looking fiftyish at 73.

Marshall was escaping the September heat in red silk pajamas at his Beverly Hills home, a tonic close at hand. He talked about Hollywood, past and present, with both fondness and reality.

### FEW MOVIES NOW

His movie appearances are few. He explained:

"They don't seem to make my type of picture any more—the type that was termed 'drawing-room' for lack of a better name."

He does occasional television shows, such as the upcoming five-part "77 Sunset Strip," which will feature 23 other guest stars. A series for him?

### ON BROADWAY FIRST

"I would like it, but as the No. 2 man, such as Raymond Massey plays on 'Dr. Kildare,' I wouldn't want to work hard enough to carry a series."

The rest of the time he takes his ease at the home he shares with his fifth wife, the former Mrs. Dee Anne Kahman.

Marshall was starring on Broadway when he was brought to Hollywood in 1932.

Marshall's suave manner made him an immediate favorite as co-

straggly hair, and even stuck zippers; also, how to create glamorous fillips with makeup and accessories. All in the wink of an eyelash! For your copy, write Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a self-addressed, stamped envelope and five cents in coin.

## TODAY In History

By THE ASSOCIATED PRESS

Today is Monday, Sept. 16 the 250th day of 1963. There are 106 days left in the year.

Today's highlight in history: On this date in 1940, universal liability to military service in time of peace became the law of the land as President Franklin D. Roosevelt signed the Selective Service Training Act.

On this date in 1722, the revolutionary agitator, propagandist and patriot, Samuel Adams, was born in Boston.

In 1782, the Great Seal of the United States was first used on a document giving power to Gen. George Washington to arrange with the British for an exchange of prisoners of war.

In 1919, the American Legion was incorporated by an act of Congress.

In 1942, the battle for Russia reached Stalingrad.

In 1945, the British accepted the formal surrender of Honk Kong from the Japanese.

Ten years ago ... Air Force Secretary Harold Talbot announced a big cut in the purchase of conventional aircraft engines and some extra jet engines.

Five years ago ... Lebanon's pro-Western foreign minister, Dr. Charles Malik, was elected president of the U.N. General Assembly.

One year ago ... Leaders of

star with the reigning queens of films—Dietrich, Shearer, Crawford, Davis, etc. He became a pillar of the British colony.

Marshall compared film making, then and now:

"In the old days, we'd get on a Norma Shearer picture and shoot on and on for 15-16 weeks, with two-hour lunches and no hurrying about anything. That was excessive."

"Nowadays you come to the set, meet your fellow performers for the first time and go right into the scene with 15 minutes of rehearsal before shooting. That's not the way to make movies, either. There must be a happy medium."

## GREEKS BALK REUNION WITH ROMAN CHURCH

By BENNETT M. BOLTON

VATICAN CITY (AP)—Intense interest focused today on whether other Eastern Orthodox churches will follow the Greek lead, boycott the Vatican Ecumenical Council and reject papal appeals for unity with the Roman Catholic Church.

The forthcoming Pan-Orthodox Conference at Rhodes, Greece, took on new significance following rejection Friday by Greek Orthodox Primate Chrysostomos of any hope for reunion with the Vatican.

The Rhodes meeting Sept. 19 will decide whether Orthodox churches should accept a Vatican invitation to the second council session, which opens 10 days later. One of the council's chief aims is to find ways to unite Christendom.

### ARE HOPEFUL

There was no official Vatican reaction to Archbishop Chrysostomos' attack on the Roman Catholic Church. But several Vatican prelates concerned with Eastern churches appear optimistic that most Orthodox churches will send observers to the council.

One Vatican prelate suggested that the very harshness of Chrysostomos' words might have a reverse effect on the rest of orthodoxy. He said the others meeting in Rhodes might hesitate to reject the Vatican invitation because it could imply agreement with the Greek primate and damage moves toward Christian unity.

### BOYCOTT MEETING

The Greek Orthodox have counted themselves out. First their 2-man holy synod, or ruling body, said it would boycott the Rhodes conference. Then the synod tried unsuccessfully to get the Greek government to forbid use of the island of Rhodes.

Finally Archbishop Chrysostomos

the British Commonwealth and colonial possessions were conferring in London on the question of Britain's negotiation for admission to the European Common Market.

## LEAVES ESTATE OF \$4 MILLION

denounced the Roman Catholic Church as "centralist and absolutist." He said it would be fruitless for any Orthodox churchmen to attend the Vatican council and declared that Orthodox-Catholic unity "is unattainable on doctrinal and other grounds."

"The Orthodox world will never be disposed to accept the infallibility of the Pope," he said.

A year ago the Orthodox church struggled with the question of whether to accept an invitation from Pope John XXIII to attend the Oct. 11, 1962, council opening. They decided against it.

the state Revenue Department disclosed.

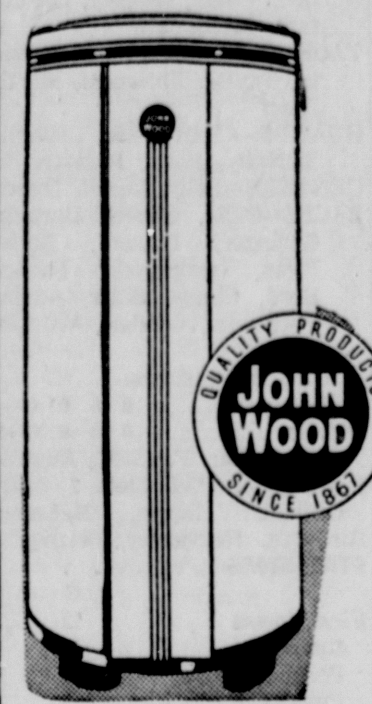

Among his assets were holdings in Highway Express Lines, Inc., the trucking company he owned; holdings in Liberty Bell Racing Association, estimated at \$100,000; and 22 units of the Philadelphia Eagles professional football club, with an estimated valuation of \$88,000.

The affidavit disclosed that among Clark's effects were a safe deposit box held jointly with Rep. William J. Green, chairman of the city Democratic committee, and three other safe deposit boxes. One, in his own name, reportedly contained \$28,000.

He also held another in the name of himself and his wife, Margaret, and a third held jointly with his niece, Mrs. Marie O'Neill. Details of the value of other assets, real estate and personal, were not made available.

## FORMER STATE EMPLOYE GETS PRISON TERM

HARRISBURG (AP)—A former director of procurement for the state Department of Public Welfare began Saturday at 11½ to 23 month prison term for cheating the state in purchase contracts.

Samuel M. Braid, 46, of Philadelphia, also was fined \$2,000 and ordered to make restitution in the sentence handed down Friday by Judge Carl B. Shelley of the Dauphin County court.

The sentence will be served in the county prison.

Braid entered a guilty plea on four counts of forgery involving purchase contracts after the state agreed to drop 25 other counts of wrong-doing in office "for various legal reasons."

### FORGED SIGNATURES

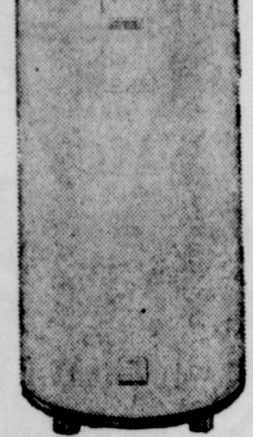

Deputy Atty. Gen. Frank P. Lawley said the forgery charges stemmed from forged signatures on purchase contracts for the Allentown State Hospital in 1960.

Awards under the contracts for various items, mainly food and perishables, totaled \$11,325. However, as procurement director Braid would substitute other less valuable articles, Lawley said. The actual net loss to the state was estimated at \$5,500.

Braid by-passed regular state procurement procedures by awarding contracts to the B. B. Barnard Co. of Philadelphia.

Richard E. Foutz, Justice Department investigator, said the Barnard Co. actually was a pseudonym for Braid and did not actually exist. The address was the home of Braid's mother.

## German Seaman Rescued After 14 Hours In Ocean

NEW YORK (AP)—A German seaman rescued by the Coast Guard after 14 hours in leaky Atlantic waters is back on his ship, praising "my lucky day" — Friday the 13th.

Franz Strycharczyk, 26, third engineer aboard the Motor Vessel Freiburg, went topside for a breath of air about 10 p.m. Thursday after a poker session. He was not wearing a life preserver.

The 327-foot ship rolled heavily and Franz went into the briny 800 miles east-northeast of Bermuda.

Franz knew he wouldn't be missed until he failed to relieve the watch at midnight. There was nothing to do but swim. Franz—a 5-foot-8, husky, 185-pounder—did just that.

### SAW SHIP LEAVE

The Freiburg, enroute from Tampico, Mexico, to Rotterdam, did miss Franz at midnight, sent out a radio call for help, and turned back.

Franz said he saw his ship return several hours later, fail to spot him, and leave.

The Freiburg had asked help of Coast Guard Ocean Station Echo, 800 miles northeast of Bermuda. From Station Echo, the 311-foot cutter Absecon got under way.

At the scene, the Absecon radioed: "Man found swimming and picked up at 12:04 p.m."

"Pilot fish began to snap on underwear so I take off," he said. "This only give bare skin to snap on. I am afraid pilot fish bring sharks and I think about suicide."

"I think about choking myself with underwear, but this too slow. Then I think maybe I bite wrist vein, but then I just swim and swim. I think sharks come any time."

He told his rescuers: "I think

## POPULATION'S CHANGES ARE HARD TO GUESS

By SAM DAWSON  
AP Business News Analyst  
NEW YORK (AP)—Next to guessing what the stock market is going to do perhaps one of the chancier business gambits is charting a course to fit expected population changes.

Yet much of the planning for the rest of this decade is based on just this.

Grow the population doubtless will. But that it will grow as fast as it has been may be far less of a sure thing than the statisticians are saying.

**WIDESPREAD EFFECTS**

Still, much of the construction and consumer goods industries are doing their planning with expected marriage rates and birth rates in mind. Future school needs, jobs, incomes, spending, highways—all will be affected a decade or so hence by the marriage and birth rates of the 1960s.

These rates in the 1940s and 1950s have posed many of today's problems. During the war, and even more in the years right after it, the birth rate went up sharply. Young people wanted to marry earlier and to have larger families than had their parents in the 1920s, and especially in the

### COACHES TO BE CLUB GUESTS

The coaches of the Littlestown High School will be guests of the local Rotary Club at a dinner program on Tuesday at 6:15 p.m. at Schott's Hotel. Film strips of the high school football games will be shown. Arrangements for the affair are in charge of the community service committee, composed of Luther D. Snyder, chairman, Mervin Harner, Ray T. Harner, Dr. Leonard L. Potter, George P. Smith and Richard W. Staley.

The initial meeting of the lay life and work of Redeemer's United Church of Christ will be held Monday, Sept. 23, at 6:30 p.m. in the form of a covered dish supper. The gathering will be in church social hall for the entire families of the congregation, Miss Ann E. Kroh will speak and show slides of her year's visit in Germany and other European countries. The program will also include

depressed 1930s.

This wave of children crowded the schools, and now is starting to overflow the job markets. Early marriages and big families boomed the home building industry—and the food industry—and made the two-car families commonplace.

The problems from this population explosion will continue and increase—the need for more jobs and more homes and more consumer goods and more parking places.

### SEE TREND CHANGE

But many statisticians have charted far into the future on the belief that the curve will continue at the same rate—that early marriages and big families will be in fashion indefinitely.

Perhaps. But a slow down in the marriage rate (percentage of eligibles) has been noted, and more significant perhaps, a trend toward smaller families.

The total of marriages is sure to rise as today's hordes of teenagers reach their twenties. The total of births in the United States undoubtedly will increase, too.

But the thing that the business and government planners can't be as sure of as many of them seem to be today is the rate per thousand.

It is that marriage rate, that birth rate, that will determine how many more thousands of children there will be to educate, families to feed, to house, to clothe, ultimately to find jobs for.

clude guest singers. A nursery will be provided for the kiddies.

Redeemer's Hustlers' Class will meet at 6:30 o'clock this evening instead of 7:30 as previously announced. A covered dish supper will be served at this first fall meeting. The choir will rehearse Thursday, September 19, at 6 p.m.; Junior, 6:30 p.m., and Seniors at 8 p.m. Young people may enroll in the catechetical class, which meets every Saturday at 9:30 a.m. Harvest home will be observed next Sunday. It is requested that fresh and commercial foods for the harvest display be taken to the church by 3 p.m. Saturday. The harvest home offering envelopes will be given to Home-wood Church Home.

"The Powers of Our World" was the subject of the sermon presented by the Rev. Glenn Flinchbaugh, pastor, at the Sunday worship service in Redeemer's Church. He read the scripture lessons from Galatians 5:16-24 and St. Matthew 28:18-20. The Senior Choir sang the anthem "Refresh Our Weary Spirits," Ford, accompanied on the organ by Mrs. George A. Stonieser. The altar flowers were presented in memory of Melvin B. Wehler by his wife.

The Rev. Mr. Flinchbaugh and Victor L. Reynolds will represent Redeemer's Church at the sessions of the Gettysburg Association in Jefferson on Tuesday.

Mary Jo Albion, daughter of Bruce Wayne and Mary Joyce (Lancaster) Albion, 42 N. Queen St., was baptized following the Sunday morning worship service in St. John's Lutheran Church by the pastor, the Rev. William C. Karns. The baptismal sponsors were the mother and Miss Dorothy Grine, Baltimore. The child was born June 20 at the Warner Hospital, Gettysburg.

The champion Yankees won their season series with the Detroit Tigers, 10 games to 8.

## Dodger Margin Is Cut To One Game As They Open 3-Game Series With Cards

By MIKE RATHER  
Associated Press Sports Writer

"We've been fortunate in the past. When we play a bad game we turn around and beat someone pretty good," said Los Angeles Manager Walter Alton.

"I can't think optimistically or pessimistically about the pennant race. When you meet head on, anything can happen regardless of how good you're going," said St. Louis Manager Johnny Keane.

They said it Sunday after the stage was set for the beginning of a three-game series tonight at St. Louis between the first-place Dodgers and second-place Cardinals that likely will determine the National League pennant winner.

Alton said it following a 6-1 loss to Philadelphia in which three passed balls, a couple of mental lapses and the five-hit pitching of the Phillies' Dallas Green left the Dodgers with a mere one-game lead over the surging Cardinals.

Keane said it after Lew Burdette's six-hit pitching and Ray Sadecki's five-hitter gave St. Louis a 3-2 and 5-0 doubleheader sweep of Milwaukee, their 10th straight victory and their 19th in 20 games in a bid to overhaul Los Angeles.

The Dodgers, who led by seven games on Aug. 30, have 12 games remaining. The Cardinals, who have lost only one game since Aug. 30, have 10 left. They're all even in victories, with St. Louis two games back in the lost column.

The pitching rotation looks like this for the three-game series:

Los Angeles—Johnny Podres, 13-10; Sandy Koufax, 23-5, and probably Pete Richert, 5-1.

St. Louis—Ernie Broglio, 16-8; Curt Simmons, 15-7, and Bob Gibson, 18-3.

While the Dodgers and Cardinals were in the spotlight Sunday, Cincinnati's John Tsitouris three-hit the Chicago Cubs 3-1, Willie Mays hit his 35th homer as San Francisco walloped Pittsburgh 13-3 and Houston took a pair from the New York Mets 5-4 and 5-0.

**T. DAVIS HOMERS**

Green, a rarely used right-hander, brought his record to 6-4 against the Dodgers, allowing the only run on a homer by Tommy Davis in the fourth inning. The Phillies already had put it out of reach when they got to Don Drysdale, 17-17, for two runs in the first inning on a single by Tony Taylor, his steal of second, Johnny Callison's single, a bunt single by Wes Covington and Roseboro's first passed ball.

Two more passed balls by Roseboro, a late throw by Ron Fairly on a sacrifice and Roy Sievers' home run led to the rest of the runs.

The Cardinals came off a nine-

## Close Classes At Mansfield State

MANSFIELD, Pa. (AP)—There is no school at Mansfield State College this week—thanks to a lack of heat.

Thomas Costello, acting president of Mansfield, said Saturday efforts to expand the heating facilities on campus would leave two dormitories without heat for most of the week.

Classes were called off in the interests of the health of the students he added.

Costello said school would resume at 8 a.m., next Monday.

## PACKERS ARE SUBDUED 10-3 IN GREEN BAY

By DAVE O'HARA  
Associated Press Sports Writer

GREEN BAY, Wis. (AP)—The Green Bay Packers are human after all. They've been stripped of any invincibility tag.

The Packers' mighty offense stalled and the defense had its hands full as the Chicago Bears upset the defending National Football League champions 10-3 Sunday in a 1963 opener before a packed crowd of 42,327.

"Both teams were ragged, but we had nothing going," said Green Bay Coach Vince Lombardi, whose charges lost only one of 15 outings enroute to a second straight NFL title last year.

Chicago Coach George Halas called the victory "one of the greatest team efforts I've seen," but admitted he feels the Bears can play better.

**BEARS FIRED UP**

The Bears were fired up after eight straight league and exhibition losses to the Packers in pro football's oldest rivalry. They got a 32-yard field goal by Bob Jencks in the first period and a touchdown plunge by Joe Marconi in the third quarter and their defense take care of the rest.

The Chicago defenders did their job in amazing fashion, picking off four passes and recovering a fumble while becoming only the second team to stop the Packers without a touchdown in four seasons. It also marked the Packers' first defeat in Green Bay since a 17-14 loss to Chicago in the 1960 opener.

Green Bay's vaunted running attack netted only 77 yards—53 by Jimmy Taylor in 12 attempts and 24 by Tom Moore in nine carries.

**ADMITTS SHOOTING**

During his trial Butler admitted shooting Sheriff Lauer May 27, 1959, during an escape attempt in nearby McCandless Twp.

At the time Butler was being returned by auto to Western State Penitentiary in Pittsburgh where he was serving a 4 to 10-year term for armed robbery. He had been taken by the sheriff to Sunbury for a hearing the previous day.

Attorney Matson had argued that Butler was temporarily insane at the time of the shooting and that the gun, Lauer's own, had gone off accidentally during a struggle between the sheriff and Butler in the back seat of the car.

"Caution is not cowardly, and carelessness is not courage."

## ST. LOUIS FANS ALL AGOG OVER PENNANT PUSH

By JOE REICHLER  
Associated Press Sports Writer

ST. LOUIS (AP)—Pennant feverish St. Louisians, excited by the Cardinals' spectacular September surge, were singing "The Yanks Are Coming" today. They didn't mean the Dodgers, who arrived to engage the red-hot Redbirds in a vital three-game series opening tonight that could decide the National League pennant.

The reference, of course, was to the World Series with the American League champions, so sure were these mad Missourians that their beloved Redbirds were going to overtake Los Angeles.

**MUSICAL EXCITED**

Not since 1942 when the Cards roared from behind to overtake the Dodgers has this city seen anything like this. The swirl of excitement caused by this unbelievable stretch run that has produced 19 victories in 20 games and trimmed the Dodgers' first place lead from seven games to one, has even engulfed the normally phlegmatic Stan Musial.

"What do you think? What do you think?" Musial kept asking visiting reporters who had come from all parts of the country to ask exactly that question of Stan the Man.

"I've never been on a club that has won 19 of 20 before," said the 42-year-old super star whose Cardinal years date back to 1941.

**SWEEP BRAVES**

The Dodgers were anything but red hot compared to the sizzling Cardinals, who extended their latest winning streak to 10 games Sunday with a 3-2 and 5-0 sweep of the Milwaukee Braves, behind the excellent pitching of veteran Lew Burdette and young Ray Sadecki.

Walt Alton's faltering first placers dropped a 6-1 decision to Philadelphia giving them only a split in the four-game series with the Phils. Although they've won 12 of their last 18, they have given up six games to the Cards during that stretch, enough to cause the Dodgers to recall last year, when they allowed a four-game lead to dissipate in the final week of the campaign.

Keane's pitching selections remained according to plan. Right-hander Ernie Broglio (16-8) and 2-2 against the Dodgers, will pitch tonight. He will be opposed by southpaw Johnny Podres, (13-10) and 0-1 against the Cards.

The longest drive on the first hole of the 1963 U.S. Open at Brookline, Mass., went 292 yards. It was hit by George Bayer.

**PLAN RALLY DAY**

It was recommended that classes and departments send Rally Day invitation cards and give children Rally Day recognition. Rally Day and Promotion Day will be held on Sunday, September 29, at 9:30 a.m.

Centenary Senior Choir will rehearse at 6:30 p.m. on Tuesday. The September session of the official board will be held at 8 p.m. on Wednesday at the church. Visitation Day will be held all day on Saturday at Children's Home, Mechanicsburg. Worldwide Communion will be held on October 6 at 10:30 a.m. and 4 p.m.

Parents having children whom they wish to baptize on either Rally Day or Communion Day, or wish to unite with the church, should contact the pastor in the near future.

The Rev. William R. Jones, pastor, presented a sermon on the subject "A Self Fit to Live With" from the text John 4:39 on Sunday the choir sang the anthem "His Love," Gruber, with Mrs. Estella E. Furlow at the organ.

The bulletins were given by Mrs. Chester S. Byers and children, David and Diane, in honor of the birthday of their husband and father, Chester S. Byers.

Paul Bowman, son of Mr. and Mrs. Paul M. Bowman, Prince St., and Donald Jones, son of Mr. and Mrs. Bittle M. Jones, W. Myrtle St., both students at Albright College, Reading, returned there on Sunday to begin their sophomore year of studies after spending the summer months at their respective homes.

## Special Tag To Cost Extra \$10

HARRISBURG (AP)—For \$10 you may be able to have your initials on your license plates.

The state Revenue Department unveiled plans this weekend to issue three-letter plates and other special combinations sometime in the future under legislation effective Oct. 12.

But a department official emphasized: "We don't anticipate making the new tags available before 1965 or 1966 when we plan to replace all tags."

Special plates like the ones with personal initials on them, will cost an extra \$10, over and above the regular \$10 fee for plates.

In 1958, some 50,000 motorists received special tags without cost.

## Beatnik-Tinged Students Are Kicked Into Streets

By GEOFFREY GOULD  
WASHINGTON (AP) — One of the most violent episodes in the controversial history of the House Committee on Un-American Activities has ended.

A beatnik-tinged tide of students and their followers has been camped from Congress after two days of hearings on a trip which 59 of their number made to Cuba this summer despite a State Department ban.

Time and again, outbursts of applause and shouts of "tyranny" caused scores of policemen to swoop down and wrestle them out of the Old House Office building.

Each time they landed on the sidewalk they cried out against "police brutality." There was no doubt the cops did not treat them gently.

Many wore beards, denim work shirts, blue jeans and sandals.

The most serious outbreak came Friday.

Kathy Prensley was asked if she was a member of a Progressive Labor Student Club, which the committee called a Communist splinter group.

Her voice trembling with emotion, she said: "Yes, because I believe socialism is the way to end racism and under socialism we can have congressmen who are truly representative and who are not elected because Negroes are not allowed to vote."

A sharp outburst of applause greeted this reply.

Police began grabbing the loudest clappers and hustling them toward the door. "Leave them alone," cried others. "Tyranny!" someone shouted over and over.

"Down with HUAC! Down with HUAC!" cried a youth as he was marched to the door—HUAC referring to House Un-American Activities Committee.

Several girls squirmed out of the grasp of the police and slumped to the floor; they started screaming outside as they were propelled down the stairs.

At least 13 persons were rushed out of the building and tossed down the front steps of the building, which is across Independence Avenue from the capitol.

Through it all the chairman,

Rep. Edwin Willis, D-La., banged his gavel and called on police to remove the noisiest applauders. He kept a rein on his temper and generally treated witnesses with politeness.

Willis also presided at the worst riot against the committee, as chairman of a subcommittee that held hearings on communism in San Francisco in 1960.

That demonstration got completely out of hand and police used firehoses to wash protesters down the steps of San Francisco's city hall. The committee backed a movie version of that riot, called "Operation Abolition," that portrayed the outbreak as being linked with Communists.

**COMMUNIST-INSPIRED**  
After Friday's uproar, Willis again said Communists inspired the trouble, using others as their fronts.

The avowed purpose of the hearings was to determine if new laws are needed to prevent Americans from traveling to Cuba. But much of the questioning of the committee counsel, Alfred Nittie, was aimed at linking the trip with the Progressive Labor Organization, which he said was founded by two Communists expelled from the party for deviationism.

The witnesses all tried to make these points: that there was no law against their going to Cuba, only a State Department regulation; that the right to travel is guaranteed to them under the Constitution; and that the committee is illegally prying into their private affairs and associations.

**CALL WITNESS NAMES**  
They called the committee's first witness on Thursday a "rat," a "creep" and a "liar." He was Barry Hoffman, 26, a Bostonian who notified the FBI and the Central Intelligence Agency he was going on the trip.

Hoffman said it was no ordinary American student group, that ordinary American students would not cheer a film of Mao Tse Tung or of an American helicopter being shot down in Viet Nam, as he said this group had done in Cuba.

## World News

NEW DELHI, India (AP) — Demonstrating as champion of the poor, India's Communist party has culminated a year-long political comeback drive with one of the largest and best disciplined

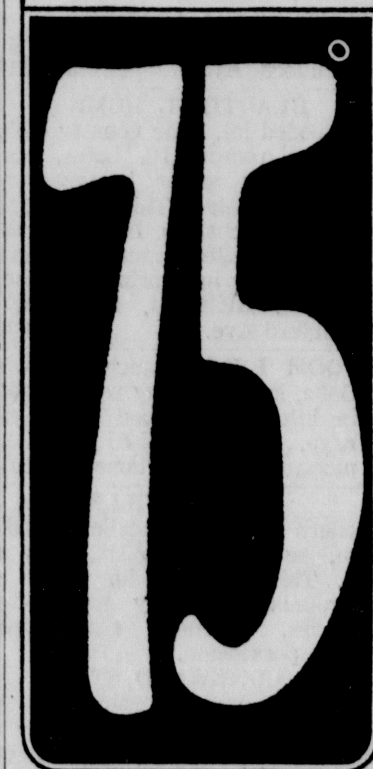

shows of strength ever seen in New Delhi.

About 35,000 persons joined a Communist demonstration Friday demanding lower consumer prices and tax relief. A petition to Parliament bearing 10.25 million signatures or thumbprints also called on the government to take over banks, oil companies and foreign trade.

The street demonstration highlighted the Indian Communist party's rally from its low point last fall during Red China's invasion of India when mobs destroyed the party office here.
